APPROVAL OF MINUTES

The minutes of the May 28, 2013 Regular Council were approved as prepared and published.

PUBLIC HEARING

A Public Hearing upon the 2014 tax budget was called to order at 7:32 P.M.

Finance Director Bryan explained the tax budget establishes the amount of property taxes and millage. The tax budget lists the details for all funds covered by property taxes to show the City has made arrangements for revenues and expenditures to have a positive balance at the end of 2014 for those funds. The major difference from the 2013 budget is the paramedic levy which has higher millage for 2014.

Mayor Zilka stated that the tax budget must be adopted by Council on or before July 15th and submitted to the County Auditor by July 20, 2013. Failure to comply shall result in loss of local government fund allocations. He further explained that the tax budget is a broad outline of anticipated expenses.

The Public Hearing was closed at 7:35 P.M.

PUBLIC HEARING

A Public Hearing upon an amendment to Planning & Zoning Code Chapter 1268 related to historic preservation regulations was called to order at 7:35 P.M.

The major recommended change is to Section 1268.06 indicating there is no requirement for a public hearing for historic landmark designations. The recommended change to Section 1268.03 states that Avon Lake Council shall

designate one of its members to serve as a non-voting liaison to the Avon Lake Historical Preservation Commission. The amendments will facilitate the application process for the applicant applying for historic designation and for the processing procedures of the City. Mrs. Fenderbosch stated that the requirement for a public hearing for historic landmark designation was very cumbersome in the application process.

The Public Hearing was closed at 7:40 P.M.

MAYOR'S REPORT

Mayor Zilka made the following announcements.

There have been meetings regarding safety and security at City Hall with the Police, Fire, and Service Departments to review evacuation plans. A fire/tornado drill will be held during a City Council meeting in the future to educate those who regularly attend Council meetings. Since City Hall is an open building there are concerns regarding security and safety of employees and those visiting City Hall. RFQ's have been solicited from several architectural firms for the purpose of reconfiguring the entrance to City Hall to create a more secure entry way.

Independence Day will be celebrated on July 3rd at Weiss Field with pageantry, entertainment, and fireworks beginning at 7:00 P.M.

The *Smiles for Sophie* walk/run fundraiser will take place on July 4th at Walker Road Park. All proceeds will go to pediatric brain cancer research.

Mr. Shondel stated that 2013 is the 200th anniversary of the Battle of Lake Erie which took place September 10, 1813. Commodore Oliver Hazard Perry and nine American ships defeated a British fleet under the command of Robert Barkley off the shores of Put-in-Bay and maintained control of Lake Erie for the remainder of the War of 1812. According to legend, two seamen who participated in that battle were lost and eventually washed up on the shores of Avon Lake and were buried at Lake Shore Cemetery. A small marker memorializing these two unknown seamen will be dedicated on September 8, 2013.
