The approval by Landlord of Tenant's plans and specifications shall not constitute the assumption of any liability on the part of Landlord for their accuracy or their conformity with building code requirements, and Tenant shall be solely responsible for such plans and specifications. The approval by Landlord of Tenant's plans and specifications shall not constitute a waiver by Landlord of the right thereafter to require Tenant to amend the same to provide for omissions or deficiencies therein later discovered by Landlord.

(b) Tenant shall not commence any Work without first delivering to Landlord:

(i) the policies of insurance, or certificates thereof, required by Sections 9.3 and 9.4; and

The costs and expenses incurred by Landlord in completing the Work shall be deemed to be Additional Rent, due and payable on demand.

### **Section 6.3 Manner of Work.**

All items installed by Tenant shall be new and of first quality. All Work, whether in the nature of erection, construction, alteration, repair or restoration permitted or required to be made by Tenant, shall be performed and completed in a first class and workmanlike manner, promptly, efficiently and competently by duly qualified and, if necessary, licensed persons or entities and in accordance with all applicable laws, ordinances, rules, rulings, regulations and requirements of any governmental authority having jurisdiction over the Premises. Prior to commencing any of such Work, Tenant at Tenant's sole cost and expense, shall obtain all permits and authorizations required pursuant to any legal requirements. Landlord shall not be required to maintain or to make any other repair or improvement to the Premises. However, without obligating Landlord, to the extent its finances permit, Landlord shall consider assisting Tenant in making repairs and/or improvements to the Premises. As used herein, the "footprint of the Premises" means the exterior perimeter of the Premises including porches and stairways.

#### **Section 7.2 Repairs to be Made by Tenant.**

#### **Section 9.1 Indemnity by Tenant.**

Tenant shall indemnify, defend and save Landlord harmless from and against any and all claims, actions, demands, damages, liability and expense, including attorneys' and other professional fees, in connection with loss of life, personal injury and/or damage to property arising from or related to, wholly in part, directly or indirectly, the construction, occupancy or use of the Premises or any part thereof, or arising from or related to, wholly or in part, directly or indirectly, any act or omission of Tenant, its officers, agents, contractors or employees. #### **Section 9.3 Tenant's Insurance.**

At all times after the execution of this Lease, Tenant will obtain and keep in force, at its expense:

Such insurance shall have a combined single limit of not less than One Million Dollars (\$1,000,000.00) per occurrence and excess umbrella liability insurance in the amount of at least Two Million Dollars (\$2,000,000.00). Such liability insurance shall be primary and not contributing to any insurance available to Landlord, and Landlord's insurance, if any, shall be in excess thereto.

(b) Worker's Compensation or similar insurance in form and amounts required by law.

### **Section 9.5 Policy Requirements.**

The company or companies writing any insurance which Tenant is required to secure and maintain or cause to be secured and maintained pursuant to Sections 9.3 and 9.4, as well as the form of such insurance, shall at all times be subject to Landlord's written approval. Each such company or companies shall be licensed to do business in Ohio. Each policy evidencing such insurance shall designate Landlord and each designee of Landlord as additional insureds and shall also contain a provision by which the insurer agrees that such policy shall not be canceled except after thirty (30) days written notice to Landlord. A certificate for such insurance and a copy of the policy shall be delivered to Landlord by Tenant promptly upon commencement of Tenant's obligation to procure the same. At least ten (10) days prior to the expiration or termination of any such policy, Tenant shall deliver to Landlord a certificate for a new or renewal policy and a copy of the policy. If Tenant shall fail to perform any of its obligations under Sections 9.3, 9.4 or 9.5, then, in addition to any other right or remedy available to Landlord, Landlord may perform the same and the cost thereof to Landlord shall be deemed Additional Rent and shall be payable to Landlord upon demand.

### **Section 9.6 Waiver of Liability.**

Landlord and Landlord's agents, officials, representatives and employees shall not be liable for, and Tenant waives all claims arising from damage to property sustained by Tenant or any person claiming by, through or under Tenant resulting from any accident or occurrence in or upon the Premises or any other part of the Park Property. The foregoing waiver shall include, but not be limited to, claims for damage resulting from: (a) any equipment or appurtenances becoming out of repair, (b) injury done or occasioned by wind, (c) any defect in or failure of plumbing, heating or air-conditioning equipment, electric wiring, gas, water and steam pipes, or stairs, rails or walks, (d) broken glass, (e) the backing up of any sewer pipe or downspout, (f) the bursting, leaking or running of any tank, tub, washstand, water closet, waste pipe, drain or any other pipe or tank in, upon or about the Premises, (g) the escape of steam or hot water, (h) water, snow or ice being upon or coming through the roof, skylight, trap door, stairs, walks or any other place upon or near the Premises, (i) the falling of any fixture, plaster or stucco, and (j) any act, omission or negligence of trespassers or other users of the Park Property.

### **DAMAGE AND DESTRUCTION**

#### **Section 10.1 Landlord's Option to Terminate Lease.**

If the Premises are damaged or destroyed by fire, the elements, or other peril, whether insured or uninsured (any of such causes being referred to herein as a "Casualty"), then Landlord shall have the right, but not the obligation, by notifying Tenant in writing within sixty (60) days after the date of such damage or destruction, to terminate this Lease.

If such notice is given, this Lease shall terminate as of the date of such notice, Rent (other than any Additional Rent due Landlord resulting from Tenant's failure to perform any of its obligations under this Lease) shall be adjusted as of the date of such termination, and the parties shall be relieved of all obligations and liabilities thereafter accruing.

**Section 10.2 Repair and Reconstruction.**

If the Premises shall be damaged by Casualty but Landlord does not elect to terminate this Lease, then Landlord shall, at its option, either repair the damaged portions of the Premises or make available to Tenant any insurance proceeds received by Landlord on account of such damage (subject, however, to such conditions and safeguards as Landlord may deem appropriate) for Tenant to use to repair such damage. If the Premises shall not be rendered unusable by such Casualty, there shall be no abatement of Rent. If, as the result of Casualty, the Premises shall be rendered unusable, in the reasonable judgment of Landlord, then all Rent (other than any Additional Rent due Landlord resulting from Tenant's failure to perform any of its obligations under this Lease) shall be abated proportionately as to the portion of the Premises rendered unusable (as reasonably determined by Landlord) for the period that such condition continues.

**ARTICLE XI**

**ASSIGNMENTS AND SUBLETTING**

**Section 11.1 Assignment Not Permitted.**

Tenant will not mortgage, pledge, encumber, assign or in any manner transfer this Lease or Tenant's interest herein, directly or indirectly, in whole or in part. Tenant will not sublet all or any part of the Premises without obtaining the prior written consent of Landlord.

**ARTICLE XII**

**DEFAULT**

**Section 12.1 "Event of Default" Defined.**

Any one or more of the following events shall constitute an "Event of Default":

- (a) The taking, sale or transfer of Tenant's interest in the Premises under attachment, execution or other process of law or equity.
- (b) The failure of Tenant to pay any Rent or other sum of money under this Lease within fifteen (15) days after the same is due.

(e) Default by Tenant in the performance or observance of any term, condition or covenant of this Lease (other than a default involving the payment of money), which default is not cured within thirty (30) days after the giving of notice thereof by Landlord, unless such default is of such nature that it cannot be cured within such thirty (30) day period, in which case no Event of Default shall occur so long as Tenant shall commence the curing of the default within such thirty (30) day period and shall thereafter diligently and continuously prosecute the curing of same and shall completely cure such default as promptly as possible.

### **Section 12.2 Remedies.**

Upon the occurrence of an Event of Default, Landlord, without notice to Tenant in any instance (except where expressly provided for below), in addition to and not in lieu of any other rights or remedies available to Landlord at law or in equity, may exercise any one or more of the following rights:

(a) Landlord may perform, on behalf and at the sole cost and expense of Tenant, any obligation of Tenant under this Lease which Tenant has failed to perform and of which Landlord shall have given Tenant notice; the cost of which performance by Landlord shall be deemed Additional Rent and shall be payable by Tenant to Landlord upon demand.

(b) Landlord may (i) terminate this Lease and the tenancy created hereby by giving notice of such election to Tenant and (ii) reenter the Premises, by summary proceedings or otherwise, remove Tenant and all other persons and property from the Premises and store such property in a public warehouse or elsewhere at the sole cost and expense of and for the account of Tenant without resort to legal process and without Landlord being deemed guilty of trespass or becoming liable for any loss or damage occasioned thereby.

### **Section 12.3 Damages Upon Termination.**

If this Lease is terminated by Landlord pursuant to Section 12.2, Tenant nevertheless shall remain liable for any Rent and damages which may be due or sustained prior to such termination, and for all reasonable costs, fees and expenses incurred by Landlord in pursuit of its remedies hereunder, including attorneys' and other professional fees (all such Rent, damages, costs, fees and expenses being referred to herein collectively as "Termination Damages") plus additional damages (the "Liquidated Damages") which are hereby stipulated to be equal to the Rent which, but for termination of this Lease, would have become due during the remainder of the Term, discounted at the rate of four percent (4%) per annum.

**ARTICLE XIII**

**Section 14.7 No Modification.**

This writing is intended by the parties as a final expression of their agreement and as a complete and exclusive statement of the terms thereof; all negotiations, considerations and representations between the parties having been incorporated herein. No course of prior dealings between the parties or their officers, employees, agents or affiliates shall be relevant or admissible to supplement, explain, or vary any of the terms of this Lease. Acceptance of, or acquiescence in, a course of performance rendered under this or any prior agreement between the parties or their affiliates shall not be relevant or admissible to determine the meaning of any of the terms of this Lease. No representation, understanding, or agreement has been made or relied upon in the making of this Lease other than those specifically set forth herein. This Lease may be modified only by a writing signed by the party against whom the modifications is sought to be enforced.

**Section 14.8 Severability.**

If any term or provision, or any portion thereof, of this Lease, or the application thereof to any person or circumstance shall, to any extent, be adjudged invalid or unenforceable, then the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

**Section 14.11 Applicable Law.**

This Lease and the rights and obligations of the parties hereunder shall be construed in accordance with the laws of the State of Ohio.

**Section 14.12 Quiet Enjoyment.**

If Tenant pays the Rent as and when due and timely performs all the covenants and agreements herein required to be performed by Tenant, Tenant shall, at all times during the Term, have the peaceable and quiet enjoyment and possession of the Premises without any manner of hindrance from Landlord or any persons lawfully claiming under or through Landlord.

**Section 14.13 Holding Over.**

If Tenant or anyone claiming under Tenant shall be in possession of all or any part of the Premises after the expiration or other termination of this Lease, the tenancy hereunder shall be deemed to be from month-to-month if such holdover is with the express written consent of Landlord, otherwise such holdover shall be deemed to be at sufferance. Such holdover shall be subject to all the terms and conditions of this Lease except as to Term and except that the Base Rent shall be Twenty-Five Dollars (\$25.00) per month, payable in advance on the first day of each month.

**Section 14.14 Landlord's Consent.**

(c) In expending Grant funds, Tenant shall comply with prevailing wage requirements to the same extent as if Landlord were making the expenditures.

(d) If all or any portion of the Grant is withdrawn, not funded or otherwise made unavailable to Tenant, then Landlord shall have the right to terminate this Lease.

(e) The parties hereto acknowledge that, because Landlord is not the Project Sponsor, Landlord shall not be required to make any contribution toward the Project Budget (as defined in the Use Agreement) nor make any expenditures or provide any funds as a condition of the Grant.

**IN WITNESS WHEREOF**, the parties hereto intending to be legally bound hereby have executed this Lease as of the day and year first above written.

(e) Special parking locations and privileges for persons with disabilities that limit or impair the ability to walk, also known as handicapped parking spaces or disability parking spaces, shall be provided and designated by all political subdivisions and by the State and all agencies and instrumentalities thereof at all offices and facilities where parking is provided, whether owned, rented, or leased, and at all publicly owned parking garages. The locations shall be designated through the posting of an elevated sign, whether permanently affixed or movable, imprinted with the international symbol of access and shall be reasonably close to exits, entrances, elevators, and ramps.
