7th Annual North Coast Business Expo on April 25 in Avon Lake

Avon Lake, Ohio: On Thursday, April 25, the 7th annual North Coast Business Expo will take place at Sprenger Health Care Systems' Main Street Care Center at 500 Community Drive in Avon Lake. Approximately forty local businesses and organizations will have tables from which they can share information with attendees. These exhibitors will have a networking hour between 1pm and 2pm, and then the Expo will be open to the public from 2pm to 4pm. This is the fifth year in a row that the Expo has been hosted by Sprenger Health Care Systems, and **Sprenger provides free food for all exhibitors and attendees.** Those attending the Expo should park in the Towne Center shopping area's main parking lot, behind First Federal, where a shuttle will pick them up and take them to and from the Expo.

"The purpose of this event is two-fold," says Ted Esborn, the City's Economic Development Director. "First to showcase Avon Lake businesses, and second to create a regional networking event for small businesses. This is a great event for small business owners looking to make connections and even find some new resources."

Another benefit of the North Coast Business Expo is the donation that the City of Avon Lake makes to Community Resource Services (CRS) from a portion of the exhibitor fees.
