**RULES OF THE CIVIL SERVICE COMMISSION  
OF THE CITY OF AVON LAKE, OHIO**

**PREAMBLE**

The following set of rules and regulations is prescribed and adopted under and by virtue of the authority conferred upon the Civil Service Commission of the City of Avon Lake, Ohio, by the Constitution of the State of Ohio, the Charter of the City of Avon Lake and by the Codified Ordinances of the City of Avon Lake. These rules are not intended to supersede or supplant the terms of any collective bargaining agreements between the City of Avon Lake and its employees.

**RULE 1  
ADMINISTRATION**

Section A. The Commission shall be composed of three members who possess the qualifications and who were selected or appointed in the manner provided by ordinance.

It shall be the duty of each member to attend all annual and regular monthly meetings of the Commission; to attend all special meetings if possible; and to devote as much of his time as may be necessary to the management of the business and affairs of the Commission.

Section B. The Commission shall administer and enforce the Civil Service Ordinance of the City of Avon Lake and the rules and regulations prescribed by the Commission relative to the Civil Service of the City of Avon Lake; and shall perform such other duties and shall exercise such other authority and power as it may have or possess.

Section C. The Commission shall meet on such dates as shall be fixed by the Commission, or as often as the duties of the office shall demand. However, the Commission shall meet at least once during the month of January of each year. The first meeting held during January of each year shall also be known as the annual meeting of the Commission.

The Chairman may on his own initiative, and shall, upon the request of the other two members of the Commission, call a special meeting of the Commission not earlier than two (2) days and not later than ten (10) days from the date of issuance of the notice of such meeting. It shall be the duty of the chairman in thus issuing a call for a special meeting or use every reasonable effort to give the other members of the Commission notice thereof at the earliest possible time.

Two members of the Commission shall constitute a quorum at any annual, monthly or special meeting for the Commission; and the affirmative vote of at least two members shall be required to adopt any motion or resolution.

At each annual meeting, the Commission shall elect one of its members to act as Chairman and one member to act as Vice-Chairman and appoint one member to act as Secretary for the ensuing year. It shall be the duty of the Chairman to preside at all meetings of the Commission. In his absence, the Vice-Chairman shall act on all matters in his stead. The Chairman shall sign, together with other members of the Commission, the minutes of all meetings at which he presides, and sign all warrants or orders for the payment

of money from the accounts and funds of the Commission. The Chairman may authorize the expenditure of petty cash for office supplies or other expenses of the Commission, as established by Avon Lake City Council.

Unless otherwise determined by the Commission, the order of business and proceedings at all meetings of the Commission shall be governed by Robert's Rules of Order.

Section D. The Secretary for the Commission shall attend all of the meetings of the Commission and keep the minutes thereof; shall accurately and properly keep all the books and records of the Commission; shall keep all files in proper order; shall prepare and deliver, or cause to be delivered, notices and other communications ordered by the Commission; shall in conjunction with other members of the Commission promptly furnish the appointing officers with eligibility lists; shall handle such correspondence as the Commission may receive; shall, in conjunction with the Chairman sign all warrants or orders for the payment of money on behalf of the Commission, and shall perform such other services as are generally performed by a Secretary of such a Board or Commission. As may be required by the Commission, the Secretary shall further prepare and file with the State Civil Service Commission, or other proper authorities, such reports as may be necessary or demanded by such authorities. The Secretary may delegate some or all of these duties to a person so authorized by the Commission.

Section E. The Director of Finance of the City of Avon Lake shall be the official custodian of any money appropriated for use of, or otherwise coming into the possession of the Commission. All orders for the payment of money from the accounts and funds of the Commission shall be upon written warrants drawn upon the Director of Finance and shall be signed by the Chairman. If the Chairman is unavailable and it is a necessity that the warrants be immediately signed, the Vice Chairman or the Secretary of the Commission may sign the warrant.

The Commission shall submit an annual report to the Mayor. This report shall be approved and signed by all members of the Commission and shall be submitted by the due date specified by the State Personnel Board of Review for the submission of the Annual Report. The format of this report may be the same as that supplied by the Board of Review, Department of State Personnel of the State of Ohio. In addition to this minimum information, this report is to include appropriate comments on all significant accomplishments and proceedings of the Commission.

Section F. With the approval of the City Council and/or Mayor, the Commission may appoint legal counsel to advise the Commission, to review the Civil Service Rules, and to serve in any other capacity determined to be appropriate by the Commission. Legal counsel may further be authorized by the Commission to direct investigations as described in Section G of this Rule.

Section G. Upon appropriation of the necessary funds by the City Council, the Commission may direct legal counsel or another authorized person to investigate any matter which the Commission has the authority to hear or investigate. The Commission may subpoena and require the attendance and testimony of witnesses, the production of books, papers, public records and other documents or evidence pertinent to an investigation. Enforcement of such subpoenas and payment of fees or mileage shall be as provided by the Ohio Revised Code.

2. In all other cases, one (1) year after the date of the original or promotional appointment.

Section G. The term “Permanent Position” signifies any position in the Civil Service to which a person has been regularly appointed after having served the Probationary Period. The terms “Promotion” or “Advancement” signify a transfer made in accordance with the Civil Service Ordinance and the rules of the Commission from a lower class to a higher class, involving an increase in responsibilities, a change in classification title, or the application of a higher salary scale.

Section M. Words Held to be Inclusive. Masculine pronouns used in these Rules shall be construed to include the feminine pronoun, and the singular number shall be construed to include the plural number whenever the context shall require.

Section N. Unless the context otherwise requires, references in these rules to employees or personal shall refer only to members of the Classified Service (i.e. nonexempt employees).

**RULE 3

Section A. On behalf of the Commission, the Secretary of the Commission shall keep a minute record of such official actions of the Commission as are required under the law or under the rules of the Commission, and including the following:

1. Probationary appointments.
2. Temporary promotions and assignments of employee to work other than that embraced by their classification.
3. Appeals from dismissal, demotion, and suspension.
4. Reinstatements of former competitive employees to their positions and replacements of names on and removals of names from eligibility lists.

9. Exemptions from competitive examination in the case of special or exceptional appointments.

Section B. On behalf of the Commission, the Secretary shall maintain an official roster showing the names and titles of all employees in the classified service.

Section C. The Secretary of the Civil Service Commission shall oversee the maintenance of the official classification, of efficiency records, files of examination papers, correspondence, and other data. The examination papers and applications shall be retained according to the Schedule of Records Retention and Disposition of the City of Avon Lake Civil Service Commission.

**RULE 4  
CLASSIFICATION**

Section A. Classification Plan. The job classification plan described in Section 258.04 of the Codified Ordinance shall constitute the official classification plan for all positions in the service of the City of Avon Lake. No person shall be employed or regularly assigned to work under any title not appropriate to the duties to be performed.

Section B. Class Specifications. The Commission Secretary shall maintain in his office a record showing for each class established: the class title, the duties performed and the responsibilities involved in each class, and the minimum qualifications to be required of future applicants seeking appointment.

Section C. Specifications Interpreted. In interpreting the specifications of classes of positions in the classification plan, the following shall apply:

1. The specifications are descriptive and explanatory and are not restrictive. The use of a particular expression or illustration as to duties, qualifications, or other attributes shall not be held to exclude others not mentioned, if such others are similar as to kind or quality.
2. The “Duties Statement” is not intended to prescribe what the specific duties of a given position shall be; nor to limit the power of appointing authorities to modify or alter the detailed tasks involved in the duties of any position.
3. Although they may not be mentioned in the specifications, certain qualifications which should properly apply to practically all positions – such as citizenship, residence, suitable age, honesty, sobriety, and industry – are taken for granted.
4. The Commission may prescribe minimum age requirements for applicants for appointment to particular classes of positions after conference with the department heads concerned.

Section D. Classification of New Positions. Whenever a new classified position is established or the duties of existing positions are so changed that in effect the old position as described by the class specifications no longer exists, but in its place there is created a new position of a different class, the appointing authority shall report such fact to the Civil Service Commission and transmit a comprehensive statement of the circumstances and a description of the duties. The Commission shall thereupon investigate the actual or suggested duties and qualification requirements and classify or reclassify the position by allocating it to its appropriate class in accordance with the classification plan

Section E. Amendment of Classification Plan. The Commission, as it may from time to time, deem necessary and after authorization by the appointing authorities involved, may establish new classes, abolish, merge, or divide existing classes and amend the class specifications to meet changing conditions.

**RULE 5**  
**NOTICE OF EXAMINATIONS**

- Section A. Entrance Examinations. Notice of competitive entrance examinations (open to persons employed in the Civil Service and to those who have not been employed) to be held shall be given not less than two (2) weeks prior to such examinations by advertisement in a newspaper of general circulation in the vicinity of, or in the City of Avon Lake, and by such additional media, if any, as the Civil Service Commission may deem suitable for the purpose of bringing attention to the matter in question, such as by bulletin board posting or electronic media. This requirement may be waived by the Civil Service Commission in the case of special examinations for positions in connection with which there is substantial difficulty in obtaining qualified applicants and for which non-assembled examinations are found to be necessary.
- Section B. Promotional or Advancement Examinations. Notice of competitive promotional or advancement examinations to be held shall be given by: (a) communication to the head of the department whose employees may be interested and (b)(i) the conspicuous posting of bulletins in the departments whose employees may be interested or (ii) individual communication to the employees eligible for such promotion or advancement. See also Rule 17, Section 2. (Rule 17 deals with promotions for police and fire).
- Section C. Examination Fee. A fee may be assessed for entrance examinations. The fee shall be computed on a reasonable basis to compensate for the costs of advertisement, examination materials, special examiners and other related and incidental expenses incurred. All fees collected under the provisions of this Rule shall be payable to the City of Avon Lake for deposit into the City Treasury. (Ord. 87-88)

**RULE 6**  
**FILING APPLICATIONS**

- Section A. Citizenship and Residence. All applicants shall be citizens of the United States. Six (6) months after completion of the probationary period, all employees of the classified service who are emergency responders shall reside within Lorain County or a county contiguous to Lorain County.
- Section B. Physical examination may be made of all applicants for positions in the Fire and Police Departments, both on original and promotional applications and for positions in any other department, if the prospective duties and betterment of the service, in the opinion of the heads of the Department and the Avon Lake Civil Service Commission, may demand.

Section C. Application. In order to be eligible to take the examination for either an original or promotional position, each applicant must complete the application form supplied by the Commission in accordance with the instructions supplied therewith. The completed form must be filed with the office of the Commission or other designated location not later than the date specified in the notice of examination, which date shall not be less than ten (10) days after the date notice of such examination was first given.

If a potential applicant intends to be out of town for an extended period of time, he may complete and file with the office of the Commission or other designated location a form supplied by the Commission that will constitute an absentee application for a promotional examination that is announced while such potential applicant is out of town. An absentee application shall be valid for sixty (60) days after it is filed. Nothing herein shall require the Commission to delay an examination to accommodate potential applicants who may be unavailable on the date the examination is to be given.

Section D. Rejection of Application. The Civil Service Commission may reject any application for cause, among which the following may be sufficient:

1. That the applicant lacks any of the minimum qualifications set forth in the job description.
2. That the applicant does not meet the minimum age requirements.
3. That the applicant does not meet the physical requirements of the position to which he seeks appointment.
4. That the applicant has intentionally made a false statement in his application with regard to any material fact.
5. That the applicant was previously in the classified service in the same or any type of employment and was removed for cause or did not resign in good standing.
6. That the applicant after notification did not promptly present himself at the time and place designated for the examination.

Upon rejection of any applicant, within seven (7) days of said rejection, any applicant shall have an opportunity to show cause why his application should not have been rejected.

Section E. Except as otherwise provided in these rules, the qualification of a person to take either an examination for an entrance position or an examination for promotion shall be determined as of the deadline date for filing the application to take such examination with the Commission.

Section F. When an applicant shall have been certified by the Commission and appointed, his name shall be dropped from all eligibility lists.

**RULE 7**  
**CHARACTER OF EXAMINATIONS**

Section A. Examinations to Be Practical. All examinations shall be practical in character, shall relate directly to those matters which will fairly test the relative capacity of the person examined to discharge the particular duties of the class of positions to which appointment is sought, and shall, when appropriate, include tests of physical qualifications, health, and manual skill.

Section B. Content of Examinations. The examination held to establish a list of eligibles for any class shall consist of one or more of the following parts:

1. Written Tests. This part when required shall include a written demonstration designed to show the familiarity of competitors with the knowledge involved in the class of positions to which they seek appointment, their general information of their general educational attainments. A formal thesis upon one or more subjects may be required if advisable.
2. Oral Tests. This part, when required, shall include a personal interview with competitors for classes of positions where ability to deal with others, to meet the public, or other personal qualifications are relevant. An oral test may also be used in examinations where a written test is unnecessary or impracticable.
3. Performance Tests. This part, when required, shall include such tests of performance or trade as will determine the ability and manual skill of competitors to perform the work involved.
4. Physical Tests. This part, when required, shall consist of tests of bodily condition, muscular strength, agility and physical fitness of competitors. This may be given a weight in examinations or may be used in excluding from further examination those applicants who do not satisfy the minimum standards.
5. Mental Tests. This part, when required, shall include any tests to determine intelligence, the general capacity for applicants to adjust their thinking to new problems and conditions of life, or to ascertain special character traits and aptitudes.

6. Training and Experience. This part, when required, shall be obtained from the statements of education and experience contained in the application form or from such supplementary data as may be required. The Commission may, in their discretion, investigate the truth of the competitors' statements as to training and experience.

## **RULE 8 IDENTITY OF EXAMINEES CONCEALED**

Identification Number. The identity of all persons taking a competitive assembled examination shall be concealed from the examiners by the use of an identification number, which shall be used on all examination papers and the candidate's application form when he presents himself for examination. This number shall be used from the beginning of the examination until the papers have all been rated. Any papers bearing the name of the applicant or any other identification mark shall be rejected and the candidate so notified.

## **RULE 9 RATING COMPETITORS**

Section A. Method of Rating. Each part of the examination for any class, except in such cases as passing of a physical examination is required as a prerequisite, shall be separately graded and the proficiency of each competitor in each part rated. A passing score on a written examination is seventy per cent (70%). All other types of examinations shall be scored on a pass/fail basis.

The names of applicants passing each part of an examination shall be posted in the Commission's office and entered on the appropriate eligibility list. The grade of any applicant failing to qualify shall not be posted.

Section B. Additional Credit for Military Service

1. Veteran Defined – A person who has served on active duty (Title 10 or Title 32) in the United States Armed Forces for a period of not less than 180 days and was discharged or released from such duty under honorable conditions.
  - a. Members still in service of the Reserves or National Guard that have served on active duty (Title 10 or Title 32) in the United States Armed Forces for a period of not less than 180 days may qualify for preference upon successful submission of proof of eligibility as defined in paragraph (4) of this section.
2. Disabled Veteran Defined – A person who has been discharged or released from active duty (Title 10 or Title 32) in the United States Armed Forces under honorable conditions performed at any time, and who has established

the present existence of a compensable service-connected disability of 30 percent or more.<sup>1</sup>

3. Under Honorable Conditions Defined – Character of service that is listed as “Honorable” or “Under Honorable Conditions” (General Discharge).
  - a. For the purposes of this rule, individuals discharged under United States Armed Forces policies that are in conflict with hiring rules and practices in the civilian environment, shall be reviewed and given full consideration to have their release characterized as being under honorable conditions.<sup>2</sup>

#### 4. Proof of Eligibility

Any veteran or disabled veteran who desires to be considered for preference under this rule shall be required to indicate such desire at time of application and not later than date of exam by submitting the required documentation. Required documentation shall be any official documentation from a branch of the U.S. Armed Forces<sup>3</sup> and/or the U.S. Department of Veterans Affairs<sup>4</sup> that identifies:

- a. Branch of service
- b. Dates of service
- c. Total amount of active service
- d. Character of service (e.g., honorable, under honorable conditions, general)

#### **(And as Applicable)**

- e. The present existence of a compensable service-connected disability of 30 percent or more

---

<sup>1</sup> Veteran shall have been retired from active military service with a service-connected disability rating of 30% or more; **OR** have a rating by the Department of Veterans Affairs showing a compensable service-connected disability of 30% or more

<sup>2</sup> Such policies include, but are not limited to, those that would otherwise discriminate against legally protected populations.

<sup>3</sup> Official documentation from a branch of the Armed Forces shall include, but is not limited to, DD214 (Member 4 Copy), Official Statements of Service Verification, Medical Discharge Documents, Official Statement, dated 1991 or later certifying the veteran as having a compensable service-connected disability of 30% or more.

<sup>4</sup> Official documentation from the U.S. Department of Veterans Affairs shall be an official statement, dated 1991 or later, certifying the veteran as having a compensable service-connected disability of 30% or more.

---

#### **Note:**

The veteran’s preference rule seeks to recognize the economic loss suffered by citizens who have served their country in uniform, restore veterans to a favorable competitive position for government employment, and acknowledge the larger obligation owed to disabled veterans. The intent is not to require placement of a veteran in every vacant government job. Nor is it to relieve candidates of their requirement to meet all minimum qualifications and other requirements for the position which they apply. Rather, it is to provide a uniform method by which special consideration is given to qualified veterans seeking employment with the City of Avon Lake

5. Preference Points

- a. Five (5) points shall be added to the final passing score of each qualified Veteran who elected the preference on their examination.
- b. Ten (10) points shall be added to the final passing score of each qualified Disabled Veteran who elected the preference on their examination.

6. Limitations

- a. Applicants seeking additional credit for military service must meet all minimum qualifications and other requirements for the position which they apply.
- b. No veteran's preference points shall be awarded for promotional examinations.

Section C. Seniority. There shall be added to the final combined score of the passing written grade and assessment center of those applicants taking promotional examinations a credit for seniority, which shall be determined as follows:

One percentage point (1%) for each year of the first four (4) years of service and six-tenths of one percentage point (.6 %) for each year of the next ten (10) years of service. Seniority credits shall be awarded for partial years of service for each full month of service less than one year on a pro rata basis.

Years of service shall be determined as of the date of the examination or, if the examination consists of more than one part, as of the date of the first part of the examination. (Amended 1/24/00) Employees who have previously resigned their employment with the City of Avon Lake and become re-employed with the City are not entitled to seniority credits toward promotions based on their previous employment.

**RULE 10  
INSPECTION AND REVIEW OF PAPERS**

Section A. Examination by Applicants. An applicant shall have the right to inspect his/her own graded test papers and submit in writing for the Commission's consideration any objection or protest he/she may wish to make concerning the grades given him/her.

Such objection or protest must be delivered to the Commission in writing within ten (10) days after an applicant has been notified of his/her grade. No grades given in any examination shall be changed after the posting of an eligibility list

except as a result of the consideration of an objection or protest that has been timely submitted in writing by the applicant objecting, and a report thereon by the examining staff; provided however, that the Secretary may correct clerical errors of examiners or employees at any time before the expiration of such lists.

Section B. Examination by Appointing Authority. Any appointing authority or his/her authorized representative shall be privileged to examine the papers of the applicants, should this be desired in connection with determining the relative fitness of persons under consideration for appointment.

## **RULE 11 POSTPONEMENT AND CANCELLATION OF EXAMINATIONS**

Section A. Examinations to Be Held as Advertised. Except as hereinafter set forth, all examinations shall be held upon the dates fixed by the Commission in its published notices.

Section B. Postponement And Cancellations. The Civil Service Commission shall have the right to postpone any examination because of inadequate number of applicants, because of the non-attendance of special examiners, or for other sufficient cause or to cancel any examination the holding of which becomes unnecessary because of a change in the personnel requirements of appointing officers. All such postponements or cancellations shall be reported by the Commission with the reasons therefore, and an entry to this effect shall be made on the Commission's minutes.

## **RULE 12 ELIGIBILITY LISTS (Reference: RC 143.19)**

Section A. Posting of Lists. From the results of each examination, the commission shall prepare and keep open to the public inspection, an eligibility list of the persons passing the examination and who are otherwise eligible. Such persons shall be ranked upon the eligibility list in the order of their relative grades without reference to priority of time of examination. However, in the event that two or more applicants receive the same grade on an entrance examination, priority in time of filing the application with the Commission shall determine the order in which their names shall be placed on the eligibility list. In the event that two or more applicants receive the same grade on a promotional examination, seniority shall determine the order in which their names shall be placed on the eligibility list. Whenever it becomes necessary to hold a subsequent examination in order to obtain additional eligibles, the commission may consolidate existing lists for the same class by rearranging the eligible names therein according to their grades. All persons whose names appear on an existing list, which is to be merged with a new list, shall have an opportunity to compete in the second examination.

- Section B. Duration of Lists. The term of eligibility of each list and of the names appearing thereon shall be fixed by the Commission at not less than one (1) year nor more than two (2) years from the date of certification of such list. Any list that has been in effect for more than one (1) year after certification may be abolished by the Commission at any time if the Commission determines that such abolishment is in the public interest.
- Section C. Transfer to Lower Class. The name of any eligible may at any time, upon his written request, be transferred to the eligibility list for a lower class requiring qualifications of the same general character. He shall be ranked thereon according to his original grade.
- Section D. Removal From List. The name of any person appearing on an eligibility list who fails to respond to a written notice from the Civil Service Commission, who declines an appointment without reasons satisfactory to the Civil Service Commission, or who cannot be located by postal authorities, shall be removed from the eligibility list. The eligible shall be notified in writing of his removal from such list. His name may be reinstated on the eligibility list only in case a thoroughly satisfactory explanation of the circumstances is provided to the Commission. In case an eligible's name appears on more than one list, appointment to a position in one class shall cause his name to be removed from other eligibility lists for classes the salary of which is equal or lower.
- Section E. Disqualification of Eligibles. If at any time after the creation of an eligibility list, the Commission has reason to believe that any person whose name appears on any list is disqualified for appointment because of incapacity developed subsequent to his examination, because of false statements made in his application, a bad work history or poor references or for any other reason, such person shall be notified and given an opportunity to be heard. If such person shall fail to appear for his hearing, or upon his being heard, fail to satisfy the Commission, his name shall be removed from such eligibility list.
- Section F. Change of Address. Each person on an eligibility list shall file with the Commission written notice of any change of address, and failure to do so may cause his name to be removed from the list.
- Section G. Revocation of List. An eligibility list may be revoked and re-examination ordered only when in the judgment of the Commission such action is deemed advisable on account of errors, fraud or obviously inappropriate standards prescribed in connection with any examinations. All competitors in the first examination shall, without further fee, be given an opportunity to compete and a new eligibility list shall be established. No eligibility list shall be altered or revoked except upon written notice to all persons whose standing may be affected and upon an entry of the reasons for such alternation or revocation in the minutes of the Commission.

**RULE 13**  
**APPOINTMENTS IN THE COMPETITIVE SERVICE**

- Section A. No person shall be employed or promoted in the Classified Service of the City of Avon Lake except in the manner provided by the Avon Lake Codified Ordinances and the Rules of the Commission.
- Section B. Except as provided in Sections 256.07 and 256.08 of the Avon Lake Codified Ordinances, appointments to all positions in the classified service that are not filled by promotions, transfer, or reduction, as provided by the Avon Lake Codified Ordinances and the Rules of the Commission, shall be made only from those persons whose names are certified to the appointing authority in accordance with the Civil Service Ordinances and the Rules of the Commission.
- Section C. The appointing authority of the department in which a position in the classified service is to be filled, shall notify the Commission of the need to fill the position. The Commission shall certify to the appointing officer of all departments the names and addresses of the five (5) candidates standing highest on the eligibility list for the class or grade to which said position belongs.
- Section D.
