

Welcome Avon Lake Resident!

Recycling and Yard Waste Services

Recycling - Done Right!

Please do not use your recycling cart for refuse. Recycling carts containing refuse or recyclable items that are contaminated with food, liquids or other non-recyclable materials will not be emptied and will be tagged to notify the resident of improper use. Though recycling is provided weekly it is only necessary to place your cart to the curb when it is full.

Please don't bag your recyclables.

Recycling plays a crucial role in preserving our environment and conserving valuable resources. We've made it easier than ever to help your environment by offering recycling at your curb! The main challenge with curbside recycling is the high level of contaminants found in recycling carts, such as: Trash bags, Food residue, Styrofoam, Batteries, Electronics, and more. These items are not accepted at the Kimble recycling center. If your item is not on the approved list, please discard it in the trash. Remember to clean and dry all items before placing them unbagged in the cart. Let's work together to protect the environment and create a sustainable future.

Yard Waste - Done Right!

Serviced March 1 thru December 31st

Yard Waste Collection - Kimble will collect yard waste on your regularly scheduled collection day March 1 through December 31st with a designated yard waste collection truck. Each residence will be allowed to place, to the curb, up to 2 cubic yards (6ft wide, 3ft high, 3ft deep or approximately 14 to 16 bags) of yard waste on each collection day.

Kimble is now offering free yard waste carts in Avon Lake, which includes a credit on your bill for using a yard waste cart. Contact us at 800-201-0005 to claim your **FREE** cart.

- Get a 96-gallon yard waste cart for **FREE**.
- Receive a \$0.78 quarterly credit.
- Save on yard waste bags, a potential saving of \$175 annually*.

Acceptable Yard Waste Container - If residents are not using their free provided Kimble 96-gallon yard waste cart, residents should use bio-degradable paper lawn bags or personal containers that are 33-gallon or less. Tree trimmings (less than 6" in diameter), brush and other vegetation must be cut into 48" pieces and tied in 18" bundles weighing no more than 50 pounds. Cardboard boxes, 55-gallon drums, or barrels cannot be used as yard waste receptacles. Competitor containers are prohibited and will not be serviced. Personal containers, 30 gallon or less, may be set out for manual collection and **need to be plainly labeled with "YW"** so our drivers can distinguish that contents are yard waste. Kimble is not responsible for any damage caused to personal containers that are larger than 30 gallons in size, which require mechanical collection to empty the container.

*(3 bags per week at \$1.50 each, over 9 months is approximate)

SERVICE LEVELS AND PRICING EFFECTIVE APRIL 1ST 2024
