11:00 a.m. – 11:00 p.m.

COMMUNITY AWARENESS

How Should Residents Prepare?

With large crowds and heavy traffic expected, make sure you ready ahead of time:

- Ensure your gas tank is full prior to the weekend.
- Ensure emergency kits are supplied, and replace missing or expired items.
- Consider grocery shopping prior to the weekend.
- Have an emergency communication plan in place, should cell service be unavailable.
- Decide where you will view the eclipse, and purchase tickets and parking passes early.
- If attending events, designate a meet-up location, should you become separated from family and friends.
- If traveling, pre-plan your route, with alternates in case of road closures or grid-lock conditions.

Please note: There will be no trash pickup on April 8. Pickup will be delayed one day for the remainder of the week. The City has also developed a trash management system with Kimble Companies to ensure our City stays clean during this event.
