

AVON LAKE Recreation

2026 Program Guide

Spring/Summer

A word from our Mayor—

As Mayor, I am pleased to share this program guide and recognize the important role our Recreation Department plays in strengthening our community and enhancing quality of life. Through thoughtful planning and dedicated service, the department offers a diverse range of programs, activities, and events designed to meet the needs and interests of residents of all ages and abilities.

The City has also recently completed the purchase of the former Erieview School. As we look ahead, this space provides an opportunity for future community use, and we are committed to approaching its transition thoughtfully and responsibly as needs, resources, and timing allow.

From youth athletics and outdoor fitness opportunities to programs for active older adults and community gatherings, our Recreation Department creates meaningful experiences that promote wellness, lifelong learning, and social connection. These offerings go beyond recreation, they help build confidence, encourage healthy lifestyles, and bring people together.

Our parks, facilities, and programs serve as welcoming spaces where residents connect, families make memories, and our community comes together. None of this would be possible without the dedication of our Recreation staff, volunteers, and community partners, whose commitment and passion are reflected in every program they deliver.

I encourage you to explore the opportunities outlined in this guide and take advantage of all that our Recreation Department has to offer. By participating, you help strengthen the sense of community that makes our city a great place to live, work, and play.

Thank you to the Recreation Department for your continued hard work and innovation. Your efforts make a lasting difference in the lives of our residents and help shape a vibrant, active, and connected community.

Sincerely,

Mark Spaetzel

Avon Lake Theater Camp

The Avon Lake Recreation Department is excited to present the fifth summer of our Avon Lake Theater Camp, created and directed by the talented Susan Vance-Koch.

Our campers will be in an all-encompassing arts experience where the campers create their own script and explore their creative talents in music, dance, theater and the visual arts. At the end of the three-week session, the campers will perform an original show on stage at the Avon Lake High School Performing Arts Center.

Registration opens Wednesday, March 18, 2026 at 9:00 am.

Space is limited so reserve your spot today! The registration deadline is two weeks prior to the start of each session.

Non-refundable deposit of \$100 per session due at time of registration. Questions? Call Susan Vance-Koch 440-520-6199.

Session One: "Let's Go On A Safari!"

Grab your explorer hat and get ready for an adventure! Imagine what will unfold when a group of students set out to explore the wild on a Safari. What exciting moments will await them on their journey? As they observe unforgettable creatures and meet friendly people, a serious problem arises. Can they work together to find an answer?

Summer Recreation Baseball & Softball

Our community-based leagues provide young players with the perfect opportunity to learn, grow, and have fun. Whether they're starting out with Tee Ball or advancing to more challenging divisions, each league focuses on skill development, teamwork, and enjoyment. Players will work on fundamentals like hitting, fielding, and pitching, while building confidence, sportsmanship, and a love for the game.

Parents and family members are a vital part of the experience, supporting players from the sidelines or volunteering as coaches and assistants. Volunteer coaches are encouraged to emphasize fair play, sportsmanship, and personal growth, creating a positive and inclusive environment for all participants. Above all, our leagues prioritize participation and development, ensuring that every player has the chance to improve, make lasting memories, and enjoy the game in a supportive, fun-filled atmosphere.

Little Tennis (4 & 5 year-old)

9:00am–9:45am

This introductory tennis program is designed especially for our youngest players. Little Tennis focuses on fun, movement, and basic coordination while introducing children to the fundamentals of tennis in a playful, low-pressure environment. Using age-appropriate equipment and smaller courts, participants will learn simple skills such as swinging, hitting, and tracking the ball while building confidence and developing a love for the game. This program emphasizes participation, listening skills, and motor development rather than competition, making it the perfect first step into tennis.

One day a week: Resident \$85.00 | Non-resident \$95.00

Two Days a week: Resident \$145.00 | Non-resident \$155.00

12 and Under Tennis

10:00am–11:00am

Designed for beginner to intermediate players, the 12 and Under Tennis Program helps children learn, rally, and play quickly in a way that is both enjoyable and rewarding.

With tailored equipment and right-sized courts, the game is more accessible and fun, allowing kids to get involved right from the start. Participants will learn basic fundamentals while gaining a positive and confidence-building introduction to the sport of tennis.

Players are grouped by age and skill level. Instruction is provided by experienced tennis professionals along with high school and college players.

One day a week: Resident \$100.00 | Non-resident \$110.00

Two Days a week: Resident \$175.00 | Non-resident \$185.00

13 and over Tennis—All Skill Levels Welcome

10:00am–11:00am

This program is structured to help participants learn, rally, and play in a fun and supportive environment. Tailored equipment and appropriately sized courts make tennis accessible and enjoyable from the beginning.

Classes are led by tennis professionals in conjunction with high school and college players. Participants are divided on the courts based on age and skill level to ensure appropriate instruction and development.

One day a week: Resident \$100.00 | Non-resident \$110.00

Two Days a week: Resident \$175.00 | Non-resident \$185.00

Learn-To-Swim Course Descriptions

Parent & Child Aquatics (Ages 6 months – 4 years old)

A parent or guardian is required to accompany each child in the water and participate in the classes. Parent and Child Aquatics introduces infants and young children to the water. This class is designed to get children more comfortable in the water and prepares them for Preschool aquatics.

Preschool Aquatics (Age 4 years old)

When determining if preschool aquatics is appropriate for your child, consider their developmental readiness, maturity, and experience in the water. The class is designed to orient preschool age children to the aquatic environment and to help them gain basic aquatic skills. It also helps children develop basic skills to begin learning rudimentary propulsive swimming movements on both the front and back. Appropriate personal safety and rescue skills are included to help children meet safety goals. Minimum age requirement is 4 years old.

Level 1 (Ages 5 and older): Introduction to Water Skills

This class teaches children introductory swimming skills with support from an instructor. Children will begin to develop positive attitudes, good swimming habits and safe practices in and around the water.

Level 2 (Ages 5 and older): Fundamental Aquatic Skills

The objective of Level 2 is to give participants success with fundamental skills. Participants learn to float without support and to recover in a vertical position. This level marks the beginning of true locomotion skills. Participants further develop simultaneous and alternating arm and leg actions on the front and back that lay the foundation for future strokes. This class takes place in 3.5 feet of water, and participants may be required to hold onto the wall. Prerequisite: Level 1.

Level 3 (Ages 5 and older): Stroke Development

The objective of Level 3 is to build on previously learned skills by providing additional guided practice. Participants learn the survival float; swim the front crawl and elementary backstroke. You introduce the scissors and dolphin kicks and build the fundamentals of treading water. Participants also learn rules for headfirst entries and begin to learn to enter the water headfirst from a seated position at poolside in the deep water. Prerequisite: Level 2.

Level 4 (Ages 5 and older): Stroke Improvement

The objectives of Level 4 are to develop participants' confidence in the strokes learned thus far and to improve other aquatic skills. Participants improve their skills and increase their endurance by swimming familiar strokes for greater distances. Participants add the arms to the scissors kick for the sidestroke. Participants also start to learn the back crawl, breaststroke and butterfly and the basics of turning at a wall. Prerequisite: Level 3.

Level 5 (Ages 5 and older): Stroke Refinement

The objectives of Level 5 are coordination and refinement of strokes. Participants refine their performance of all the strokes and increase the distances. Flip turns on the front and back are also introduced. Prerequisite: Level 4.

Fitness Classes at the Old Firehouse

Determine your level of mobility and pick a class.

No registration is required. The schedule of classes is listed on our website at AvonLakeRec.com. Space is limited. Please come in 15-30 minutes before class time to sign-in.

Stability This class is designed to increase mobility and flexibility for all with limited range of motion. The program is especially helpful to those suffering the effects of Parkinson's Disease, Multiple Sclerosis and Severe Arthritis.

Yin Yoga is a gentle and relaxing style of yoga that works deeply into the connective tissues and joints. Students must be able to get on and off the floor unassisted.

Chair Yoga The chair serves as a stable foundation, allowing you to deepen your stretches, engage your muscles, and experience the benefits of yoga in a safe and comfortable manner.

Circuit Standing upper-body strength work alternated with low impact cardio using a chair for standing support. A perfect 50+ class that incorporates stretching, balance, agility and strength, along with fun music.

Classic Seated and standing exercises to increase muscular strength, range of motion and activities for daily living.

Stability+ Similar to our Stability Class, but more intense. This class has been set up for those with lesser mobility issues.

Focused Gentle Yoga In this class you will move through traditional yoga postures focused on specific areas of the body.

Gentle Yoga Standing & seated yoga poses to increase flexibility, balance and range of motion.

Advanced TRX Class uses the TRX suspension trainer that leverages gravity and the user's body weight to complete the exercises. *SilverSneakers/Renew Active DO NOT APPLY to this class.*

Boom Muscle Muscle-conditioning blocks and activity specific intervals to improve cardiovascular health and functional skill. This class is designed to work all major muscles with a variety of strength and conditioning exercises.

Yoga Flow Flow-based (continual movement between poses) class tying breath to movement between individual postures.

We are exploring adding new classes such as Thi Chi, Zumba, and Line Dancing. If you have any suggestions please inform the staff at The Senior Center.

Most classes are compliant with SilverSneakers® and Renew Active® and are free to those with either program included in their Medicare Supplemental Insurance.

Sign up at the Old Firehouse for your FREE SS or RA membership which includes daily admission to our Aquatics Center.

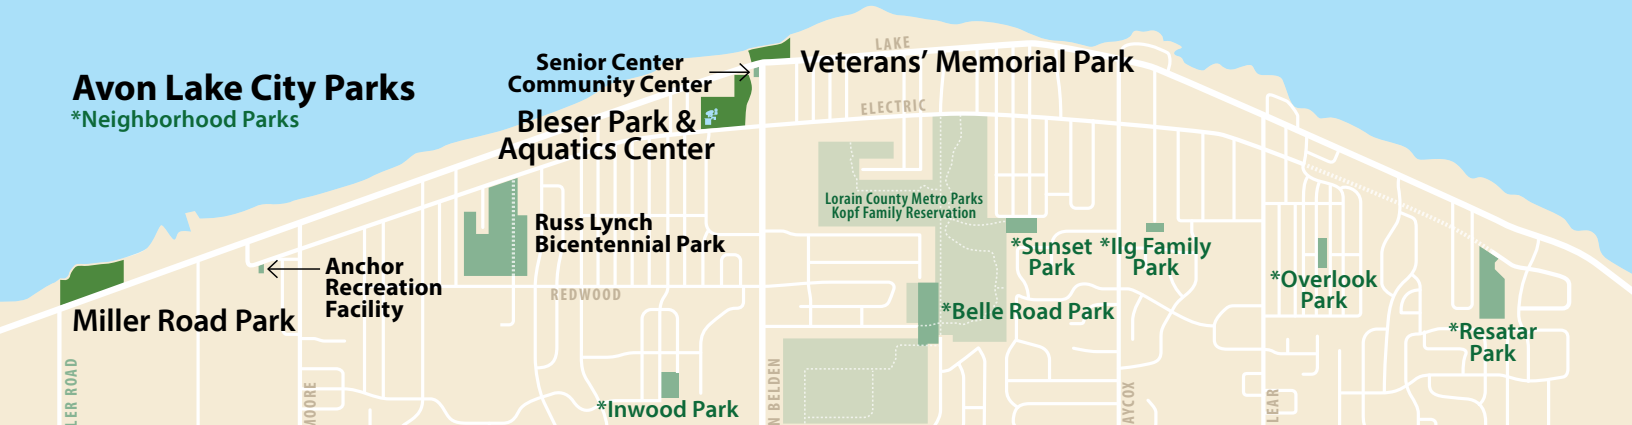

Otherwise, there is an \$8 drop-in fee per class or purchase a 12 visit punch pass membership for \$60.

Memberships are available to Senior Center

\$25 annual fee (\$35 non-resident), an exceptional value, gives \$2.00 off the price of the Senior Hot Lunch and a subscription to our Newsletter delivered to your mailbox each month (\$12 value).
